THE SOLEA EXPERIENCE IS:

- Virtually free of the needle and the sound of the drill
- Quick, easy, and done in a single visit
- Able to get you back to your day in minutes

A CHANGE FOR THE HAPPIER

The miracle we've both been waiting for is here: Solea. Now available to you, Solea is a dental laser that replaces the dental drill in the majority of procedures in our practice. In fact, nearly every patient skips anesthesia because they just don't need it. Solea is our way of keeping you happy. Because more than anything, we love to see you smile.
