Can't Hear Voices On TV?

AccuVoice® Speaker uses patented hearing aid technology to make dialogue crystal clear.

Our AccuVoice® AV200 TV Speaker uses patented hearing aid technology for the clearest TV dialogue we have ever heard. Digital algorithms lift voices out of background sounds. Choose from *two* levels of voice boost – in case you need extra clarity. Only 17" wide, it fits anywhere. Hookup is simple – one connecting cord. Room-filling home theater sound, with the clearest voices we've heard on any speaker, at any price. Find out why our original AccuVoice Speaker has over 1,700 5-Star reviews on Amazon.
