## WATERFRONT MASTER PLAN OPEN HOUSE

Thursday, March 5, 2020, 6:30 pm to 9:00 pm at the
Stanley Tourangeau Fire/Police Service Centre,
67 Meehan Street, Arnprior

The Town of Arnprior has retained the services of Thinc Design to complete a Waterfront Master Plan, building on the Waterfront Feasibility Issues and Options Analysis undertaken in 2017. This detailed Master Plan will provide a blueprint for implementing the community's vision for the waterfront area.

Please join us on Thursday, March 5th from 6:30 PM to 9:00 PM, at the Fire Hall at 67 Meehan Street, Arnprior to meet with Town Staff and the consulting team discuss the Waterfront Master Plan. This will be a drop-in open house format where participants can review the work undertaken to date, discuss the project and waterfront in general with one of the team members, and provide comments and feedback to the team. The information gathered at this meeting will be instrumental in informing the Waterfront Master Plan's designs and recommendations which will be presented at a second open house in the Spring.
