QUANTITY SURVEYOR / ESTIMATOR

BOOT Construction is looking to appoint a Quantity Surveyor / Estimator to join their team delivering a diverse range of Construction Projects across the Eastern Region.

You will be responsible for managing the contractual and financial elements of live construction projects but will also be involved in the organising, compiling and submission of tenders.

Due to our size and ownership structure BOOT Construction offers a unique family orientated culture which fosters teamwork, flexibility and offers an enjoyable and truly rewarding career.

If you think this rewarding team approach is for you and wish to become part of our dynamic team please email your CV and covering letter to vnorris@bootconstruction.co.uk For an informal pre application discussion regarding this post please speak directly to Vicky or Paul Norris 01473 738572
