OXFORD DEVELOPMENTS

Thank you to our many sponsors, participants and volunteers for supporting the 2019 East Gwillimbury Mayor & Council Charity Golf Tournament which was a huge success, raising more than $70,000 for the Youth & Community Initiatives Fund (YCIF).

The East Gwillimbury Youth & Community Initiatives Fund, fully funded with the proceeds raised through this golf tournament, provides financial assistance to East Gwillimbury families to ensure all youth have the opportunity to participate in recreational activities. The fund also supports elite athletes and community groups and organizations.

The continued success of the annual golf tournament, which over the past 18 years has raised over $650,000 for the YCIF, would not be possible without the generous support of our sponsors.

I also extend thanks and appreciation to Pheasant Run Golf Club and the EG Golf Committee for contributing to the success of our tournament.

On behalf of Council, with thanks and appreciation,

Virginia Hackson

Mayor Virginia Hackson

Town of East Gwillimbury
