The best life at Camberley Manor.

Our residents enjoy the best of life at Camberley Manor. It's hard not to when our chef delivers fresh home-cooked cuisine, our gardener creates relaxing outdoor spaces and our therapists help keep the body and mind active. We've even got a hair and beauty salon to ensure everyone looks and feels their best.

We understand the importance of tailoring nursing care to the individual, and we can support residents with our specialist knowledge of dementia and Alzheimer's.
