“HAVING FAMILY BY MY SIDE WAS ALMOST AS HEALING AS THE GREAT CANCER CARE.”

- Bob Dwyer, Cancer Success Story

When Bob was diagnosed with a rare form of prostate cancer, he thought he'd have to go to Nashville for treatment. So he was glad to learn that Baptist Health Paducah offered the same state-of-the-art technology right here. “There’s a healing quality to being in your own backyard,” said Bob. “And the team at Baptist went above and beyond. Because I have a back injury, they even built a special mold that made getting radiation more comfortable.” Bob was able to be with his wife, care for his mom and run his family’s kennel business while receiving treatment. “The care at Baptist,” he added, “was beyond anything I’ve ever received.” **Learn more at [BaptistHealth.com/CancerCare](https://www.BaptistHealth.com/CancerCare).**
