HOSTED BY: BILL NICHOLSON AT
225 HIGH STREET, PETERSBURG, VA

Saturday, March 14, 2020

TOURS TIMES: 10:30 AM & 1:30 PM

Local homeowner Bill Nicholson is opening his historic house for an inside look at a restoration in progress. Even more interesting is the fact that the house boasts many features designed by renowned Free Black Cabinetmaker Thomas Day, who was born in Dinwiddie County in 1801. Event participants will have the unique opportunity to view certain construction elements and details that will not be visible after the work is complete and the house is fully restored.

This unique tour is open to the public. Tickets are \$10.00 per person. There will be two sessions: 10:30 am and 1:30 pm. Public response to the official announcement has indicated that it will be a popular event. To purchase tickets and for more information visit **historicpetersburg.org**.
