What is community? It’s sharing common values, a feeling of belonging, creating a strong sense of purpose. Meth-Wick’s community includes 220 employees. 125 in healthcare, 40 in housekeeping and facilities, 45 in dining services and 10 in administration. Despite the challenges faced during these trying times, they are united in keeping Meth-Wick’s residents as safe and as healthy as possible. Thank you, Meth-Wick employees, for all that you have done and all you continue to do.
