IF YOU suffer from low back pain and sciatica, you are one of over 10 million adults in Canada with this often crippling spinal condition.

Shooting, stabbing and burning pains from the low back, sometimes with additional pain through the buttocks and down the legs are all symptoms of pinched nerves often called “sciatica”.

In severe cases, it can lead to muscle wasting, numbness and constant tingling down to the tip of the toes. Left untreated, the intense pain can rapidly wear you down and drain the joy out of life.

#### That is, until now...

Recent advances in the treatment of sciatica and lower back pain have led to the development and huge success of Advanced Biostructural Correction Technique.

The excellent results of chiropractic treatment have been published in major medical journals. With great success rates. Some back surgeons and medical doctors are recommending their patients try this treatment first before having back surgery.

In Markham, you can try Advanced Bio-Structural Correction Spinal Care at the Elite Care Chiropractic – the office of low back pain and sciatica relief Chiropractor Zunaid Kagdi D.C.

Zunaid and his team of fully trained spinal care specialists have helped over 1,000 patients find relief from their agonising back pain and sciatica.

According to Zunaid, “We use a combination of ultra-advanced technology, for precisely diagnosing the cause of your

low back pain and sciatica; and a unique programme for reconstructing the damaged area causing the pain; this means long-term results for most people.”

Because the treatment is non-surgical, safe and easy, most patients report an almost immediate relief from their pain.

Patient Sean M. from Richmond Hill says, “My back pain was unbearable but the worst thing was the searing burning pain I felt in my buttock and leg.

I couldn't work or do anything useful and the drugs my MD prescribed hardly did anything.

My wife insisted I respond to one of these ads, I thought it would be a total waste of time, but I'm so glad she kept on at me.

Thank god I called your number, I'm 95% better in just a couple of weeks.”
